CBS 2062 Premium Plus BioFresh

36" Built-out Freestanding or Semi Built-in Refrigerator & Freezer

Open the door to fresh produce and fresh ideas in the Freestanding CBS 2062 for those high capacity storage options and the most ideal conditions for food preservation. Two BioFresh drawers in adjustable cells create an environment that actually allows vitamins and minerals to produce no contact to grow and in a result, contribute to a healthier lifestyle. Accompanying with light volumes and well-planned LED lights illuminate both kitchen and the Bonus Freezer Drawer.

The two cooling units with separate controls ensure temperatures for the refrigerator and the freezer provide superior performance and maximum energy efficiency.
