

Keystone / KSTHW18A

18,000 BTU Heat/Cool Window Air Conditioner

At Keystone, your family's comfort starts here. Keystone's budget-friendly heat/cool 230V window/wall air conditioner is designed with a removable chassis so you can install it either in a window or through an exterior wall. Our two-in-one installation marvel includes an adjustable window kit for convenient window installation. For wall installation, you can use an existing compatible wall sleeve or purchase one of ours separately. In addition to cooling, this versatile unit also offers supplemental heat capability, providing you with an additional heat source to your main heat source when outdoor temperatures are above 45 degrees Fahrenheit. This unit requires a special 230-volt/25-amp electrical outlet and will not operate with a standard 115V household electrical outlet. It is packed with money-saving features including energy saver mode, sleep mode and a programmable 24-hour timer. Add the convenience of our easy-to-use Follow Me LCD remote control, and everyone can relax in blissful comfort.

- Heat/Cool air conditioner with removable chassis for window and wall installation
- Special 230-volt/25-amp electrical outlet required (Unit will not work with a standard 115V outlet)
- 18,500/18,200 BTU cooling capacity / 16,000 BTU supplemental heating capacity
