
BERTAZZONI

30" BUILT-IN MICROWAVE OVEN

AjMadison
Your Appliance Authority™

Complete your Bertazzoni integrated kitchen with the new versatile and easy-to-use Bertazzoni Built-in Microwave Oven. With family-size capacity of 2 cubic-feet, this oven features 10 power levels, multiple cooking modes, timer and sensors for reheating and defrosting.

The design and finish of the Bertazzoni Microwave Oven and its dedicated built-in trim kit make it suitable for use with built-in ovens, cooktops and ventilation hoods from either the Bertazzoni Design Series or the Bertazzoni Professional Series.
