Deluxe CT661W refrigerator-freezer includes adjustable glass shelves, a crisper drawer, wine shelf, and door storage

## Product Features:

|                                         |                                                                                                                            |
|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Complete all-in-one kitchenette         | All-in-one kitchen is built with virtually everything you need for meal preparation                                        |
| Refrigerator-freezer included           | Includes SUMMIT CT661W, a refrigerator-freezer with dual evaporator cooling, adjustable glass shelves, a crisper, and more |
| 2-burner cooktop                        | Includes two coil elements, with a rear 500W burner and front 900W burner to accommodate a range of heating options        |
| 115V operation with pre-installed cords | Both the cooktop (12 amps) and refrigerator (1.1 amps) include 3-pronged cords for easy setup                              |
| Push-to-turn knobs                      | Cooktop knobs require a small amount of force to turn the elements on, helping to prevent accidents                        |
| Indicator lights                        | Operating indicators light up to show which burner is in use                                                               |
| One piece stainless steel countertop    | Easy-to-clean surface with a professional look                                                                             |
| Sink and faucet                         | Stainless steel sink with ready-to-use gooseneck faucet included                                                           |
| Storage compartment                     | Large convenient cabinet with center shelf lets you store dry goods behind a door                                          |
