

## WASHER/DRYER COMBO

### WD3274RHD

#### All-In-One Washer and Dryer

##### Performance

- NeveRust™ Stainless Steel Drum
- 2.37 cu.ft. (IEC) capacity. The largest capacity with 24" width installation
- Direct Drive Motor for the ultimate in durability and reliability
- 1400 RPM Maximum Spin Speed
- Ventless Condensing Drying System
- 115V Power Source

##### Intelligent Fabric Care

- SenseClean™ and Sensor Dry Systems for intelligent fabric care and water and energy efficiency
- 5 Wash Programs
- 4 Wash/Dry Programs
- 5 Wash Temperature Selections with Built-in Water Boost Heater
- Sanitary Cycle
- Delay Wash up to 19 hours

##### Style and Design

- Chrome Trimmed door with Clear Glass that Opens 180°
- One Touch Electronic Controls with Dial-A-Cycle
- Large LED Display for Easy Reading

##### Environmentally Friendly

- Energy Star
- LoDecibel Quiet Operation

WHITE

LG front load washers exceed Energy Star® classifications by a minimum of 39%.

# WASHER/DRYER COMBO

## SenseClean™ System

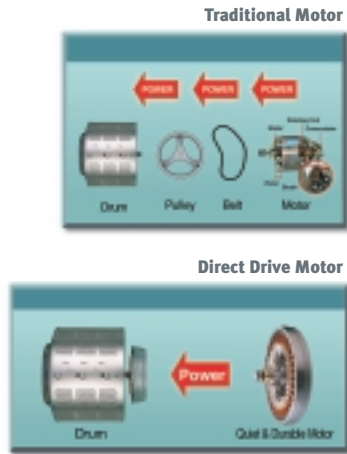

Water level and wash time are automatically optimized based on the weight and size of each load.

## Sensor Dry

Measures moisture in the drum during the cycle, then automatically adjusts the drying time and temperature for optimal fabric care.

## Direct Drive System

The power is delivered right to the wash drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.
