

BDR190CSS

34.5" x 35.5" x 21.75" (H x W x D)

Complete stainless steel two-drawer refrigerator with towel bar handles, for built-in or free-standing use

Highlights:

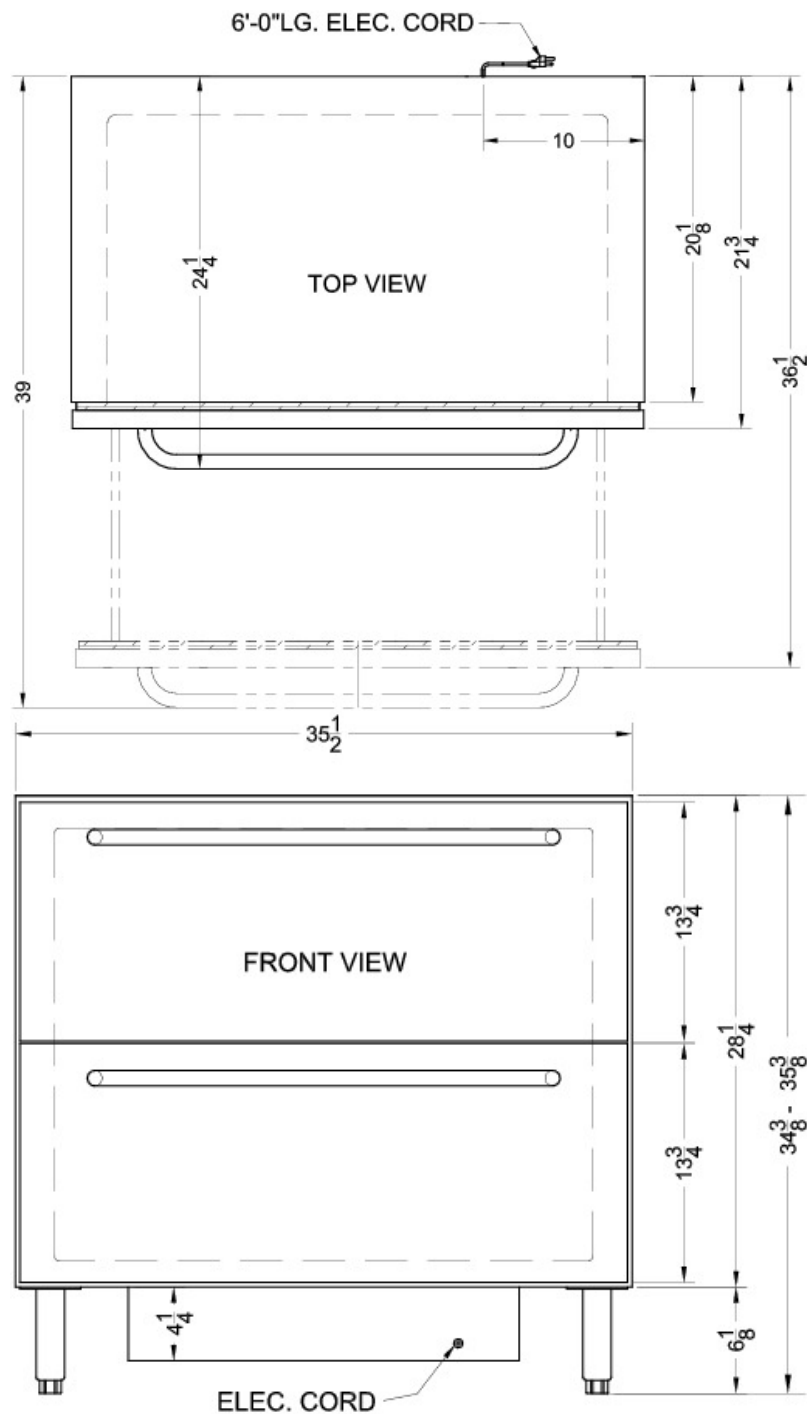

- Automatic defrost operation saves maintenance
- Stainless steel look is both professional and elegant
- Two slide drawers open and close smoothly
- Includes metal containers for creative storage options

Built-in installation	Make the best use of space by installing your refrigerator under the counter and flush with other cabinets
Automatic defrost	Simplify appliance care by letting your refrigerator defrost itself
Complete stainless steel body	Transform your kitchen with the refinement of stainless steel
See-thru glass bottom top drawer	Save time rummaging through refrigerator contents with this unique and practical "window" into your bottom drawer from the top
Adjustable thermostat	Control your food's temperature with ease and accuracy
Metal containers	Organize your refrigerator contents with these attractive and convenient storage bins
Lift-out containers with covers	Get the most out of your storage space by separating your items
Interior light	Automatically illuminates when you open the door
Slide-out drawers	Smooth gliding drawers open easily with generous space to reach inside
Professional towel bar handles	Add a touch of luxury with sturdy but stylish 12" door handles in stainless steel
