

MASTERPIECE DELUXE
36" STAINLESS STEEL GAS COOKTOP
5 BURNER
SGSX365FS

Thermador® | *An American Icon*™

FEATURES & BENEFITS

4th Generation patented Star® Burner with 56% more flame spread than round burner.

New, blue illuminated controls offer progressive lighting and indicator when the cooktop is in ExtraLow® mode.

Our ExtraLow® feature, which provides the lowest simmering capability on the market — as low as 200 BTU/hr. — simmers without scorching and is the perfect solution for delicate sauces.

A chiseled Stainless Steel design offers a bold statement.

A new glass and Stainless Steel control panel offers a sleek, modern design.

High quality, robust, metal knobs are easy to adjust.

Notes: All height, width and depth dimensions are shown in inches. Solid surface countertops require special cutout size. Please refer to installation instructions prior to making cutout. Installation instructions are available at www.thermador.com.
