## 36" AND 30" TOUCH INDUCTION COOKTOPS

P36 5 | X

P30 4 | X

Bertazzoni touch-control induction cooktops are lightning fast and highly efficient. With induction, full energy becomes immediately available and is delivered directly to the pan, eliminating heat-up times. Bertazzoni Design Series touch-control induction cooktops are available in 30" with 4 heating zones and 36" with 5 heating zones. The black ceramic top is encased in a slim stainless steel frame and sports Bertazzoni signature brand in the center.

### TOUCH CONTROL

Adjust the power level on each heating zone with the touch of a finger.

### CERAMIC TOP

The black ceramic top is encased in a slim stainless steel frame and sports Bertazzoni signature brand in the center.
