

**SWBV3067**

34.0" x 29.5" x 22.5" (H x W x D)

30" wide built-in undercounter dual zone wine and beverage cooler with locks, digital thermostats, and glass doors in a French door swing

**Highlights:**

Unique dual zone design lets you store wine and colder beverages under different temperatures

Flexible design allows built-in or freestanding use in 30" wide spaces

Stainless steel trimmed glass doors feature modern French door swing

Digital controls offer easy and intuitive temperature management

Built-in capable	Make the best use of space by installing this unit under the counter and flush with other cabinetry
Fully finished cabinet	Allows the unit to be used freestanding
Dual zone design	Two independent zones allow you to set colder temperatures for beverage and warmer to store wine
Recessed LED lighting	Gentle and energy efficient LED lighting offers an elegant view of stored items
Digital thermostats	Each zone is equipped with electronic temperature controls for easy and intuitive temperature management
Adjustable wooden and chrome shelves	Includes 6 wooden shelves for bottle storage and 4 flat wire shelves to hold cans and other beverages
Professional handles	Sleek stainless steel handles add an elegant touch to any setting
Glass doors	French door swing offers a modern look, with stainless steel door trim for an added accent
Factory installed locks	Keyed locks on both zones offer separate security for interior contents
Automatic defrost	Reduced user maintenance with automatic defrost
