PHC51G

29.5" x 23.38" x 19.88" (H x W x D)

Single chamber compact warming cabinet with glass door, digital thermostat, and lock

Highlights:

Compact size makes it ideal for use on top of counters

Digital controls conveniently located for easy adjustment and temperature viewing

Factory installed lock allows you to restrict access to staff

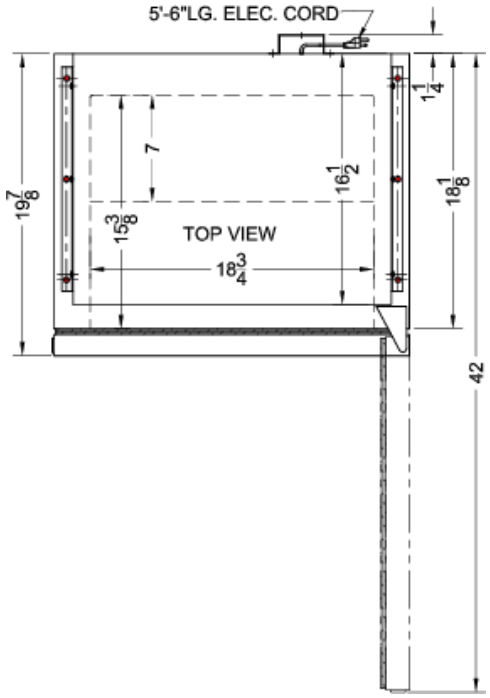

Product Features:

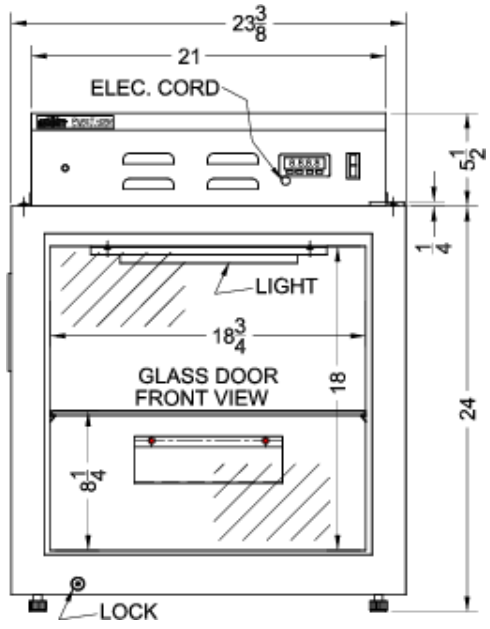

Compact size	Small footprint is ideal for countertop placement
Digital thermostat	Electronic controls are conveniently located for easy temperature adjustment
Electronic readout	Large LED temperature display ensures your staff can easily monitor the interior temperature
120 to 150ºF Temperature Range	Designed and set for hospital blankets
Double pane tempered glass door	Heat-safe glass door offers a full view of stored contents
Self-closing door	Door is equipped with self-closing mechanism and magnetic gaskets to prevent heat loss
Factory installed lock	Keyed lock for a secure interior
Hammered aluminum interior	Ensures easy cleaning inside
Flush back	Space saving design with easier cleanability
