

# ALR47BSSHV

32" x 20.88" x 22.5" (H x W x D)

Built-in undercounter ADA compliant residential all-refrigerator with stainless steel door, black cabinet, and thin vertical handle, with door storage and automatic defrost operation

**Highlights:**

- Just 32" high for an easy fit under lower ADA compliant counters
- Flexible design allows built-in or freestanding use in 21" wide spaces
- Reversible stainless steel door affords added durability in an elegant look

**Product Features:**

|                                 |                                                                                                           |
|---------------------------------|-----------------------------------------------------------------------------------------------------------|
| ADA compliant design            | 32" height allows easy installation under lower ADA compliant counters                                    |
| Built-in capable                | Front-breathing design lets you make the best use of space by installing your appliance under the counter |
| Adjustable thermostat           | Digital thermostat offers easy temperature management with a readout in Fahrenheit or Celsius             |
| Door shelves                    | Three removable door racks for additional storage of larger items                                         |
| Adjustable glass shelves        | Three adjustable spill-proof shelves for optimal storage in 3.53 cu. ft. interior                         |
| Fruit and vegetable crisper     | Get the longest life and best taste out of produce by storing greens in a convenient slide drawer         |
| 3" thick door                   | Improved insulation for an efficient performance                                                          |
| Reversible stainless steel door | User-reversible stainless steel door for added flexibility to best accommodate your setting               |
| Temperature alarms              | User-set high/low temperature alarms provide added security if temperature goes beyond setpoint           |
