

# ADRD241PNR

31.88" x 23.38" x 22.5" (H x W x D)

24 in. wide ADA compliant 2-drawer panel-ready all-refrigerator for indoor or outdoor residential or commercial use

**Highlights:**

Panel-ready drawers allow you to customize the look to match existing cabinetry

32" height for use under lower ADA compliant counters

Weatherproof construction ensures safe use outdoors

**Product Features:**

|                              |                                                                                                                                                                   |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2-Drawer All-Refrigerator    | 24" wide 3.7 cu.ft. all-refrigerator with two gliding drawers                                                                                                     |
| Panel-ready drawer fronts    | Drawers accept overlay panels (size: 23.43" x 14.1" at 3/4" thick) to let you seamlessly blend the refrigerator into cabinetry design                             |
| Stainless steel front finish | Fully finished drawer fronts also allows you to choose a traditional stainless steel front if not installing overlay panels                                       |
| ADA compliant design         | Sized just under 32" high to allow installation under lower ADA compliant counters                                                                                |
| Built-in capable             | Front-breathing design allows you to make the best use of space by installing your appliance under the counter and flush with other cabinets in 24" wide openings |
| Indoor/Outdoor compatible    | Constructed and approved for outdoor installation (as well as use indoors) with a fully sealed cooling system and weatherproof exterior                           |
| Stainless steel drawers      | Drawer interiors and exteriors are fully constructed from 304 grade stainless steel for weatherproof durability and elegant style                                 |
| Professional handles         | Sleek stainless steel handles add an elegant touch to any setting                                                                                                 |
| Frost-free                   | No-frost operation for minimum user maintenance                                                                                                                   |
