

# SDHW2442PNR

33.75" x 23.38" x 18" (H x W x D)

24" wide shallow depth built-in undercounter wine cellar with panel-ready glass door, stainless steel interior, black cabinet, lock, and digital controls

**Highlights:**

- Uniquely 18" shallow depth for an easy fit in kitchen islands
- Panel-ready door trim lets you blend the unit into your own cabinetry
- Stainless steel interior cabinet for lasting durability and easier cleanup

**Product Features:**

|                                         |                                                                                                                                                                                                                                                 |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide Wine Cellar                    | Single zone built-in wine cooler for residential storage                                                                                                                                                                                        |
| 18" depth                               | Unique 18" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                                                                                      |
| Built-in capable                        | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                       |
| Versatile design                        | Innovative panel-ready bracket kit allows easy custom panel installation, but can also be removed cleanly if you redesign your space and prefer the look of stainless steel door trim                                                           |
| Panel-ready door trim                   | European style articulating door hinge and bracket kit allow easy installation of custom door trim panels to match adjacent cabinetry; recommended panel dimensions: 3/4" thickness at 30" H x 23 1/4" W with a 3 1/4" H x 3 1/4" W inner frame |
| Double pane tempered glass door         | Elegant design offers a clear but protected view of your interior                                                                                                                                                                               |
| Fully articulating European style hinge | Smoother opening and a better fit with an integrated European hinge                                                                                                                                                                             |
| Factory installed lock                  | Keyed lock for a secure interior (2 keys included)                                                                                                                                                                                              |
| Stainless steel interior                | Walls and floor are constructed from stainless steel for added strength and easy cleanup                                                                                                                                                        |

## SDHW2442PNR Specifications:

| Overview                   |                         |
