**Amana®**

## THE WHOLE MEAL FITS

*Large capacity means you can cook multiple dishes at once and handle everything from daily meals to large family dinners with ease.*

## KEEP SPILLS CONTAINED

*Don't sweat the small spills. Sealed burners make cleanup easy by preventing spills from dripping beneath the cooktop.*

*Amana brand and Trees for the Future have teamed up to make a bigger impact on the world, while making a smaller impact on the environment.*

*For every Amana® major appliance sold, one tree is planted to help rebuild global deforested areas.\**

*Your Appliance Authority™*

## IT'S ALL UNDER CONTROL

*Easy Touch electronic oven controls allow you to set bake and broil temperatures with the touch of a finger. A clock and timer make it convenient to count down to dinner time, while control lockout prevents unintended use.*

## EASY CLEANUP

*Our porcelain-steel Spillsaver™ upswept cooktops feature raised edges and smooth surfaces to make cleanups a cinch.*

*Note: Not all features available on all models*

\*During 2013, for every major appliance it sells in the U.S., Amana® will donate \$0.10 (the cost of each tree planted). Total donation is expected to plant over 2 million trees.
