

Hestan / AKOR30

ACCESSORY, 30" OVEN RACK WITH SLIDES

This 30-Inch Telescopic Oven Rack is the ideal oven companion and assistance. It provides exceptional flexibility, safety, and comfort when baking by allowing you to move heavy trays in and out of the oven. It takes away the concern about the proximity to intense heat or the possibility of spilling or dropping your meal this way. The rack attaches to the factory-installed shelf support rails. It can be installed on any shelf level in a single cavity or on shelf levels in a double oven.

- Stainless Steel finish
- Ideal for 30-inch Ovens
- For 48-inch ranges
- Offers high-resistance to Corrosion
- Sturdy Oven Rack
- Easy to Clean
