

GE® 9,000 BTU Portable Air Conditioner for Small Rooms up to 250 sq ft. (6,250 BTU SACC) Model# APFA10YBMW

- Perfect for Small Rooms - 9,000 BTU cooling capacity offers maximum comfort in rooms up to 250 square feet
- 3-in-1 Portable Air Conditioner - Keep your room comfortable with a portable air conditioner that has two cooling modes, two fan speeds and a built-in dehumidifier
- Auto Evaporation - In most room conditions, the AC will evaporate any excess water in the unit, so there's no need to drain it
- Digital LED Controls - Easily see and manage your dehumidifier settings with an LED display
- Remote Control - The unit comes with an included air conditioner remote, so you can adjust the unit from anywhere in the room
- Easy-Roll Wheels - Four casters make it easy to move the portable air conditioner from room to room
- Auto Restart - In the event of a power outage, the air conditioner restarts automatically with the last temperature settings
- Washable Filter - The washable AC filter is easy to access and clean, keeping your unit running at its best
- 24-Hour On/Off Timer - Set a convenient AC timer to automatically turn the unit on or off in 1-hour increments (up to 24 hours total)
- Window Installation Kit - Easily install the unit in a double hung or sliding window with no cutting required, thanks to an included air conditioner installation kit

FEATURES
