

GE® 6,100 BTU Portable Air Conditioner with Dehumidifier and Remote, White

Model# APFD06JASW

- Cools Small Rooms - Delivers 6,100 BTU cooling capacity for small rooms up to 250 square feet
- 3-in-1 Portable Air Conditioner - Built-in air conditioning, two fan speeds, and dehumidifying capabilities provide flexible and optimal home comfort
- Auto Evaporation Technology - Under most room conditions, the AC will evaporate any water the unit collects, so there's no need to drain excess water
- Window Installation Kit - Portable AC installs easily in double hung or sliding windows with no cutting required
- Digital Controls with Remote - LED controls with included remote make it easy to clearly see and manage your settings from anywhere in your room
- Additional Features - Washable filter, 24-hour on/off timer, 4-way air direction control, and easy-roll wheels offer ease of use and maintenance
