

GE® 7,500 BTU Smart Portable Air Conditioner with Dehumidifier and Remote, Grey Model# APWD07JASG

- Cools Medium Rooms - Delivers 7,500 BTU cooling capacity for medium rooms up to 350 square feet
- Connected Peace of Mind - Integration with the SmartHQ app allows you to monitor, schedule and control your smart air conditioner from anywhere
- 3-in-1 Portable Air Conditioner - Built-in air conditioning, three fan speeds, and dehumidifying capabilities provide flexible and optimal home comfort
- Auto Evaporation Technology - Under most room conditions, the AC will evaporate any water the unit collects, so there's no need to drain excess water
- Window Installation Kit - Portable AC installs easily in double hung or sliding windows with no cutting required
- Digital Controls with Remote - LED controls with included remote make it easy to clearly see and manage your settings from anywhere in your room
- Dual Hose Compatible - Get more performance by converting your single hose portable to dual hose for better cooling (RAP02 kit sold separately)
- Additional Features - Washable filter, 24-hour on/off timer, auto louver, and easy-roll wheels offer ease of use and maintenance

FEATURES
