Cutout Dimensions: 19 3/4" x 11 5/8" with 1/4" radius
501.6mm x 295.2mm with 6.4mm radius

The No Lid All Seasons™ Built-In Grill enhances the grilling experience. The cast aluminum grate transfers heat quickly from the concealed electric element, producing the look and taste of a high quality gas grill without any open flames to deposit unwanted material or chemicals onto your food.

The waterproof Lite-Touch™ control activates the concealed heating element while providing visual indication of the heat setting. Simply touch the On/Off circle and then raise or lower the heat setting by pressing the + or - graphic on the sealed moisture proof panel.

The Kenyon Custom No Lid All Seasons™ Built-In Grill is constructed of the highest quality, marine-grade stainless steel. And as all Kenyon Custom® products, backed by uncompromising quality, exclusive 3-year product replacement warranty, and the best customer service in the industry.

Frontier Lid with Top Handle
