

Breville

the Bakery Chef™ BEM825BAL

Power and speed in the clarity of glass

How do you keep
AN EYE
ON THE MIX
and
COMBINE IN
HALF THE TIME?

Technical Specifications

Warranty	1 Year Limited Product Warranty 5 Year Limited Motor Warranty			
Motor	High Torque 550W (120V) Motor			
Capacity	5 Quart Borosilicate Glass bowl 4 Quart polished Stainless bowl			
Key Features	Load Sensing Technology. Internal sensors detect when heavy batters are being mixed and automatically adjust the power to maintain the selected speed. High Clarity Glass Bowl. Borosilicate grade, resistant to thermal shock and microwave safe. Mixing Light. Illumination allows you to watch the progress of the mix for better results. 12 Electronic Speed Control with LED Indicator. Complete control to maximize versatility from ultra-slow to high speed. Planetary mixing action enables 360 degree coverage of the mixing bowl. Achieved by the counter-clockwise motion of the mixer head combined with the clockwise sweep of the beater for thoroughly mixed ingredients. 100% Metal Gearing. Hardened metal gears for durability and long life. Metal gears with more teeth for amplified performance on heavier loads. Splash Guard & Sealing Lid compatible with both the glass bowl and stainless steel bowl.			
Materials	Heavy Duty Die-Cast Metal Construction All metal coupling: drive shaft and bearing			
Accessories	Scraper Beater	Flat Beater	Splash Guard	Spatula
	Dough Hook	Wire Wisk	Sealing Lid	
Dimensions	Base: 6.8" (L) x 14.3" (D) x 12.9" (H)			
Weight	21.10 lbs.
