

CR2B228T

3.25" x 18" x 21.25" (H x W x D)

2-burner 220V radiant cooktop with digital touch controls and black glass surface

Highlights:

Digital touch controls offer intuitive operation and seamless, modern look

Smooth black surface made from EuroKera glass offers easy cleanup and lasting durability

Multiple safety functions include automatic shutoff, overheat protection, unintended operation protection, and a child lock

Product Features:

2-burner radiant cooktop	3000W operation in a conveniently sized fit
Digital touch controls	Easy operation with intuitive slide controls activated by a gentle touch
Seamless design	Smooth surface and touch controls means no external knobs that can be easily lost in busy hotel settings
EuroKera black ceramic glass surface	Easy cleanup and elegant style on a smooth ceramic glass surface
7" element	1800W rear element offers powerful cooking for larger pots and pans
Standard front element	1200W front cooking zone in a 5.5" diameter accommodates smaller cookware
Residual heat indicator	Indicator will illuminate to warn if some part of the glass surface is too hot to touch
Timer function	Allows you to program either burner to heat at a specified level for up to 99 minutes
Indicator lights	Operating indicators light up to show which burner is in use

CR2B228T Specifications:
