

# CT66BK2SSLHD

32.63" x 23.63" x 22.38" (H x W x D)

24" wide counter height ENERGY STAR certified refrigerator-freezer made in Europe with a stainless steel door and black cabinet

**Highlights:**

ENERGY STAR certified for guaranteed savings and a greener footprint

5 cu.ft. of storage capacity in a perfectly sized 24" footprint

Deluxe interior with glass shelves, door storage, and a scalloped wine shelf

**Product Features:**

|                                    |                                                                                                                                                                 |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ENERGY STAR certified              | Rated by the DOE to perform with more efficiency than federal standards require, saving your unit energy and you on higher utility costs                        |
| Large capacity                     | 5 cu.ft. of interior storage, larger than virtually any other refrigerator-freezer in this size class                                                           |
| European refrigerator with freezer | 24" wide refrigerator-freezer designed and manufactured in Europe for residential use                                                                           |
| Slim counter height dimensions     | Ideal 24" footprint for an easy fit                                                                                                                             |
| Freezer included                   | Interior .7 cu.ft. freezer compartment with reversible door                                                                                                     |
| Dual evaporator                    | Our unique and efficient design separately cools the refrigerator while maintaining a lower temperature in the freezer compartment by utilizing two evaporators |
| Cycle defrost                      | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment      |
| Adjustable glass shelves           | Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up                                                   |
| Door storage                       | Store tall bottles and condiments right on the door for convenient access                                                                                       |

CT66BK2SSLHD Specifications:

| Overview                       |                    |
|--------------------------------|--------------------|
| Height of Cabinet              | 32.38" (82 cm)     |
