

# REXT24W

35.5" x 23.38" x 23.63" (H x W x D)

24" wide slide-in look smooth-top electric convection range in white with oven window

**Highlights:**

24" Wide electric range is purpose-built for apartments and small homes

European-made design offers a touch of luxury

Convection function is ideal for baking pastries and provides a slightly broiled effect

**Product Features:**

|                                       |                                                                                                           |
|---------------------------------------|-----------------------------------------------------------------------------------------------------------|
| 24" Wide European-Made Electric Range | European design is perfectly sized for apartments and smaller home kitchens                               |
| Smooth glass top                      | A smooth cooking surface made from glass ensures improved safety and easy cleaning                        |
| Four cooking zones                    | Two 1800W 8" elements paired with two 1200W 6" elements to accommodate a range of sizes and cooking needs |
| Oven window                           | Large oven window makes it easy to monitor your cooking progress                                          |
| Interior light                        | Oven light automatically illuminates when the oven is on or when the door is opened                       |
| Adjustable racks                      | Includes two oven racks that can be adjusted to accommodate a variety of sizes when baking or broiling    |
| Slide-out storage drawer              | Save even more space by storing your pots and pans in this pull-out compartment                           |
| Broiling function                     | This function is used for broiling or toasting food on the upper oven shelves                             |
| Broiling and convection function      | This function is used for broiling thicker food on the upper oven shelves                                 |
