

# SEH1530SSADA

37.25" x 29.5" x 19.69" (H x W x D)

30" wide ADA-compliant European-style convertible wall-mounted range hood in stainless steel with remote wall switch

**Highlights:**

ADA-compliant design allows you to control the hood from a wall light switch for easier accessibility

30" wide wall-mounted range hood

Versatile design for ducted or recirculating operation with a set of carbon filters included

**Product Features:**

|                                                          |                                                                                                                                                          |
|----------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 30" wide wall-mounted range hood                         | European style range hood designed to bring effective ventilation over 30" wide cooking surfaces                                                         |
| ADA-compliant design                                     | Control panel comes on a remote terminal block to be installed according to ADA compliant guidelines for improved accessibility (some assembly required) |
| Convertible design with no additional purchase necessary | Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible                                         |
| Charcoal filter set included                             | Two round carbon filters attach to the blower to absorb grease and odors when using the hood in recirculating mode                                       |
| Powerful ventilation                                     | 400 CFM blower to effectively remove smoke and cooking odors from your kitchen                                                                           |
| Cord included                                            | Pre-installed power cord with 3-prong plug for 115V outlets                                                                                              |
| LED lighting (bulbs included)                            | Includes two pre-installed LED bulbs to illuminate your cooking surface                                                                                  |
| Adjustable height                                        | Includes a telescoping chimney extender that allows you to adjust the overall height between 25 1/2" to 37 1/4"                                          |
| Stainless steel finish                                   | Durable construction in an attractive style with a horizontal grain                                                                                      |

SEH1530SSADA Specifications:

| Overview               |                   |
|------------------------|-------------------|
