

# SPR488BOSADA

32.5" x 19" x 17" (H x W x D)

ADA compliant commercially approved outdoor beverage cooler for built-in or freestanding use with a shallow 17" depth, seamless stainless steel door trim, black interior, glass door, front of unit lock, and dial thermostat

**Highlights:**

32.5" height for use under most lower ADA compliant counters

Designed and constructed for safe use in the outdoors

17" shallow depth makes it ideal for smaller commercial and residential settings

**Product Features:**

|                                 |                                                                                                                |
|---------------------------------|----------------------------------------------------------------------------------------------------------------|
| Built-in capable                | Make the best use of space by installing your refrigerator under the counter                                   |
| ADA compatible height           | Sized at 32.5" high for installation under most lower ADA compliant counters                                   |
| 17" shallow depth               | Ideal for home wet bars, island kitchens, and other applications with limited footprint space                  |
| Weatherproof design             | Approved for use in the outdoors, with a sealed exterior and double pane tempered glass door                   |
| Commercially approved           | ETL-S listed to NSF-7 standard and meets UL-471 for use in commercial settings                                 |
| Double pane tempered glass door | Heat resistant design provides clear view of stored products, with an elegant trim in seamless stainless steel |
| Automatic defrost               | Reduced user maintenance with auto defrost system                                                              |
| Reversible door                 | User-reversible door swing makes it easy to adjust to your setting as needed                                   |
| Factory installed lock          | Keyed lock offers added security, with two keys included                                                       |
