

SWBV24SS

34.5" x 23.88" x 23.88" (H x W x D)

Dual zone wine/beverage center for built-in or freestanding use, with French door swing, stainless steel construction, and digital controls

Highlights:

French door swing with independent temperature zones for red and white wine storage

Flexible design allows built-in or freestanding use in 24" wide spaces

Both zones are illuminated by elegant LED lighting

Digital controls offer easy and intuitive temperature management

Product Features:

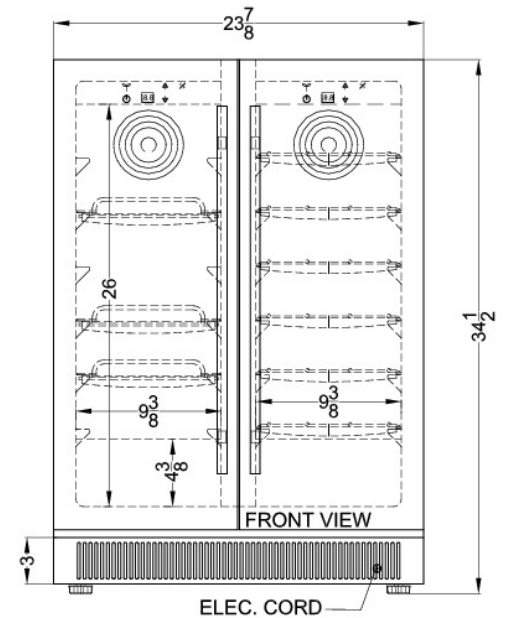

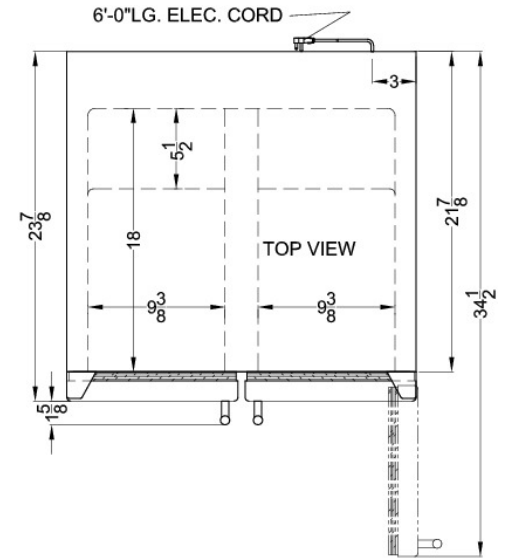

Stainless steel exterior	Complete stainless steel construction ensures lasting durability and style
Two temperature zones	Independent temperature zones allow separate storage of wine and other beverages under the proper temperature conditions
Built-in capable	Make the best use of space by installing your unit under the counter and flush with other cabinets
French door swing	Two side-by-side doors with French door opening
Automatic defrost	Reduced maintenance with auto defrost system
Adjustable glass shelves	Frosted glass shelves with silver trim offer an elegant look for beverage storage
Slide-out wine shelves	6 wine shelves are ideally sized to store up to 21 standard 750 ml bottles in the wine section, with a silver trimmed accent for an added touch of style
Digital thermostat	Intuitive touch controls located inside the unit make temperature adjustment simple, with a temperature display in Celsius or Fahrenheit
LED lighting	Recessed LED lighting offers an elegant and efficient view of the interior
