

VT65MLSTACK

68.75" x 23.88" x 23.5" (H x W x D)

24 inch wide stacked general purpose all-freezers capable of -25°C operation, with removable basket drawers and factory-installed lock

Highlights:

Versatile design allows you to store items at different temperatures to meet your needs

Double the freezer storage capacity in one slim-fitting footprint for space-challenged facilities

-25°C operation for safe storage of temperature sensitive materials

Product Features:

Versatile design	Store contents in each freezer at different temperatures for unparalleled storage options
Slim footprint	Less than 24 inches wide for use in a variety of smaller spaces
Easy assembly	Unit ships in three boxes for customer to install the StackRack on the bottom freezer and place and secure the other unit on top
-25°C operation	Low temperature operation is ideal for a variety of institutional storage applications
Fully finished white cabinet	Allows the unit to be used freestanding
Factory installed lock	Keyed lock for a secure interior
Three removable storage drawers	Wire drawers with transparent plastic fronts allow for easy storage organization
Manual defrost	Reduced temperature fluctuations with an energy efficient manual defrost system
One-piece interior liner	Easy clean-up with a seamless liner that won't hold a mess in hidden crevices
