**Highlights:**

Includes seamless stainless steel trim kit to allow installation in 15" wide cutouts

Two-burner electric cooktop with 115V operation

Smooth black ceramic glass surface offers easy cleanup and modern style

**Product Features:**

|                                               |                                                                                                                                        |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Smooth black surface made from Eurokera glass | Easy cleanup and elegant style on a smooth ceramic glass surface                                                                       |
| Two heating elements                          | 2 1200W burners, each with 6" diameter, manufactured for SUMMIT by E.G.O. of Germany, considered by many to be the finest in the world |
| Trim Kit for 15" wide applications            | Ships with a seamless stainless steel exterior trim kit that allows users to install this cooktop in 15" wide cutouts                  |
| 115V operation                                | Requires hardwired installation to 115V power supply or professional installtion of a NEMA 5-20 plug                                   |
| Push-to-turn controls                         | Prevents accidents by requiring a small amount of force to turn on cooktop heat                                                        |
| Residual heat indicator light                 | Indicates when surface is still hot to touch                                                                                           |
| Designed for built-in installation            | Cooktop cutout is 11 1/8" wide by 19 1/8" deep, while the stainless steel trim kit allows it to be installed in 15" wide openings      |
| ADA compliant design                          | Upfront controls and easy-to-operate knobs offer easier accessibility                                                                  |
