# BERTAZZONI MASTER SERIES

## 36" RANGETOPS

CB36M 6 00 X

CB36M 5 00 X

The Bertazzoni 36-inch Master rangetop brings Italian design, high-performance and energy efficiency to commercial-style cooking. It features the signature one-piece, seamless, high-efficiency worktop design, which is common to all Bertazzoni gas surface-cooking appliances. All burners are in cast brass for enhanced performance, with the dual control power burner delivering best-in-class heat-up times and maximum flexibility thanks to its extremely wide BTU range, dual controls and separate rings of flame.

### DUAL POWER BURNER

Bertazzoni's exclusive dual control power burner in cast brass delivers high-efficiency performance from delicate low simmer to full power (750 – 18,000 BTUs) with best-in-class heat-up time.

### SEAMLESS SURFACES

Cast iron pan supports of exclusive design allow sliding of cookware across the entire cooking surface. The stainless steel worktop is also seamless for easy cleaning and the sharpest look.

### CONTROLS

Rangetop burners are controlled by large round soft-touch knobs.

TO COOK BEAUTIFULLY
