

Cafe™ Beverage Center

Model#: CCR06BM2PS5

Cafe™ Series

- **Platinum Glass Finish** - The beverage center has an attractive, easy-to-clean glass finish that will create a contemporary look in your kitchen
- **LED Light Wall** - Take lighting to the next level with an LED light wall that spans the back panel, illuminating the interior so every item is easy to find
- **Magnum Bottle Storage** - Chill up to four 1.5 liter bottles of wine or prosecco without scratching the label or sacrificing space on the other shelves
- **Smart Technology** - The beverage center has Built-In WiFi so you can control it from anywhere. Using the SmartHQ app, you can remotely change your temperature or dim the LED light wall. Plus, you'll get the latest connected home capabilities with new modes and updates
- **Flush Installation** - With built-in, flush-to-cabinet installation, this beverage center fits in perfectly with your home's overall design
- **Articulating Door Hinges** - These hinges prevent the beverage center door from striking anything in the kitchen, including your cabinetry. They also help the door open smoothly and close softly
- **14-Bottle or 126-Can Capacity** - This large capacity beverage center gives you the space to store your favorite beverages and more
- **QuickSpace Shelf** - This beverage center offers flexible storage options with a shelf that lets you make room for tall items like
