

# Cafe™ Wine Center

Model#: CCR06DM2PS5

Cafe™ Series

- **Platinum Glass Finish** - The wine chiller has an attractive, easy-to-clean glass finish that will create a contemporary look in your kitchen
- **LED Light Wall** - This wine chiller has an LED light wall that spans the back panel, illuminating the interior so every item is easy to find
- **Magnum Bottle Storage** - Chill up to four 1.5 liter bottles of wine or prosecco without scratching the label or sacrificing space on the other shelves
- **Smart Technology** - The wine chiller has Built-In WiFi so you can control it from anywhere. Using the SmartHQ app, you can remotely change your temperature or dim the LED light wall. Plus, you'll get the latest connected home capabilities with new modes and updates
- **Flush Installation** - With built-in, flush-to-cabinet installation, this wine chiller fits in perfectly with your home's overall design
- **Dual Zone Temperature Control** - This wine chiller has two distinct zones that maintain any temperature between 41 and 61 degrees Fahrenheit, so you can keep both red and white wines at the perfect serving temperature
- **46-Bottle Capacity** - Enjoy plenty of space to store rose, champagne and all of your favorite wines
- **Articulating Door Hinges** - These hinges prevent the wine chiller door from striking anything in the kitchen, including your cabinetry. They also help the door open smoothly and close softly
