

# CP35/CP37

Installation is simplified with the Custom Hood Liner insert. All-in-one design includes everything you need to achieve a fully integrated appearance.

### HVI certified performance

Heat Sentry™ detects excessive heat and adjusts speed to high automatically

Separate On/Off speed control gives you the convenience of automatically remembering favorite setting.

Standard stainless steel is not recommended for installations along saltwater coastal areas

CFM Reducer Kit for CP35 reduces max CFM to 250-300

Available only in the U.S.
