

SAVOR THE GLASS. PRESERVE THE BOTTLE.

Introducing the CORAVIN™ Wine System

After a long day, nothing's better than a glass of wine. Now you have the freedom to enjoy one without worrying about finishing the bottle. The Coravin Wine System with premium Coravin Capsules lets you pour wine without removing the cork so you can enjoy the rest of the bottle another day. Your favorite wines should never be compromised – neither should your choice of when and how to enjoy them.

Long live your favorite wine

Innovative Coravin technology pours a glass of wine without uncorking and protects the bottle from oxidation.

Easier than uncorking a bottle

The sleek and intuitive Coravin design effortlessly releases a smooth stream of wine. Just insert, tilt and pour yourself a glass.

Complete peace of mind

Premium Coravin Capsules use 99.99% pure argon gas to safeguard your wine, glass after glass.

SLEEK DESIGN AS ADVANCED AS ITS TECHNOLOGY.

Properfit Clamp

The system's easy-to-squeeze clamp fits around the bottle neck, ensuring a secure hold and effortless pour.

Load Cell Technology

The capsule-loading chamber creates the perfect amount of force for an airtight seal, ensuring no gas escapes.

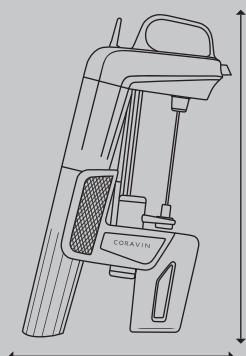

Coravin Wine Needle

The thin wall needle is specially designed to be gentle on your corks and pour wine smoothly and quickly.
