

DD24SHTI9_N

DishDrawer™ Dishwasher, 7 Place Settings, Panel Ready (Tall)

This Fisher & Paykel Single DishDrawer™ Dishwasher is integrated into your kitchen, has extra height for taller dishes and built-in water softener.

Integrated

Dimensions

Depth	22 1/2"
Height	17 7/8"
Width	23 9/16"

Features & Benefits

Quick, Sanitize and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitize option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

Ease of use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

Knock to pause

Instead of needing a remote control, these DishDrawer™ Dishwashers have a knock to pause function. A knock on the front panel will pause the dishwasher which can be re-started again by using the start/play button.

Quiet performer

Running at a very low decibel rate, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

Specifications

Accessories
