Features & Benefits

Easy to use

This dryer has a cycle to suit every type of load including Bulky and Delicate. Select a cycle with the easy to use SmartTouch™ controls.

Cares for clothes

Auto-sensing prevents under or over-drying by sensing moisture levels inside the drum and shutting off automatically. This helps clothes last for longer and reduces energy consumption.

Easy loading

Loading and unloading is easy with a large door opening and interior light. The door hinge is reversible to suit your laundry space.

Perfect pair

Designed to match our AquaSmart and WashSmart Top Loaders. Together they will care for clothes and look stylish in your laundry.
