DLEX2450R DLGX2451R

Electric/Gas SteamDryer™

HIGHLIGHTS

Large Capacity (7.3 cu.ft.)
TrueSteam™ Technology
Sensor Dry System

FEATURES

- 7.3 cu.ft. Large Capacity
- 9 Drying Programs
- 5 Temperature Settings
- Precise Temperature Control with Variable Heat Source
- Drying Rack
- Wrinkle Care Option
- Custom Program

SMART TECHNOLOGY

- TrueSteam™ Technology
- SteamFresh™ Cycle
- SteamSanitary™ Cycle
- ReduceStatic™ Option
- EasyIron™ Option
- Sensor Dry System
- LoDecibel™ Quiet Operation
- FlowSense™
- SmartDiagnosis™

STYLISH DESIGN

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Large Chrome Rimmed Door with Glass
- Reversible Door
- Stackable with Matching Washer
- Optional Matching Drawer Pedestal

GET MORE OUT OF YOUR DRYER

Everyone's heard the saying "less is more", but when did that ever apply to laundry? With this large capacity dryer you get more – more capacity, more performance and more time to get back to the more important things. Developed with TrueSteam™ technology, which produces real steam to reduce wrinkles and odors, this dryer features a Sensor Dry system to automatically adjust drying time so you don't have to, ensuring your laundry is dry every time. Now, getting more out of your dryer means more free time for you!

Large Capacity (7.3 cu.ft.)

Do laundry a little less often. With 7.3 cubic feet of capacity, this dryer handles really large loads. Saving you time and energy.

True Steam™ TrueSteam™ Technology

A lot of those drying headaches can be a thing of the past. TrueSteam™ Technology generates real steam to reduce wrinkles and odors, and practically eliminates the need for ironing.

Sensor Dry System

What's worse than pulling clothes out of the dryer and finding they're still damp? Our Sensor Dry system measures the moisture levels during the cycle and automatically adjusts the drying time, assuring you get dry laundry every time.
