

DLEX3900/DLGX3901

7.4 cu. ft. Front Load Dryer with TurboSteam™

The ultimate timesaver—large capacity for fewer loads plus steam technology to refresh clothes in between washings

You won't need to call it laundry "day" anymore. When there's no time to wash, quick and easy TurboSteam™ technology brings new life to fabrics and eases wrinkles in just 10 minutes. Smart features let you start the dryer from the comfort of your couch or automatically reorder dryer sheets so you never run out again. And with Sensor Dry, the dryer adjusts drying time to save energy with less wear and tear on clothes.

Versatility

STEAM REFRESH CLOTHES IN BETWEEN WASHES

Smart Features

FINISH LAUNDRY WHILE YOU'RE ON THE GO

Drying Performance

SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK

Available in:

White

Versatility

STEAM REFRESH CLOTHES IN BETWEEN WASHES

- Go ahead, wear it again—in just 10 minutes, TurboSteam™ technology reduces wrinkles and odors in up to 5 garments when you don't have time to wash
- Can also be used to sanitize children's toys, decorative pillows and more

Smart Features

FINISH LAUNDRY WHILE YOU'RE ON THE GO

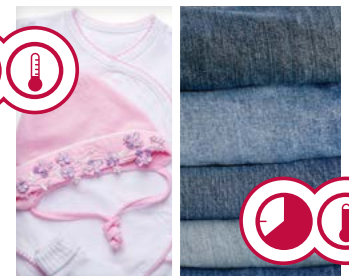

- No matter where you are, use the SmartThinQ® app to start the dryer, extend cycle time to avoid wrinkles and receive an alert when your clothes are done
- Use voice commands through Alexa or the Google Assistant and do laundry from the comfort of your couch
- Never run out of dryer sheets again—Amazon Dash Replenishment Service tracks usage and automatically delivers dryer sheets right to your door
- Powered by AI, ProActive Customer Care keeps your dryer running at its best

Drying Performance

SENSOR ADJUSTS DRYING TIME TO ELIMINATE THE GUESSWORK

- No more damp clothes—the built-in sensor detects moisture levels and automatically adjusts drying time for loads of all sizes
- No more overdrying—dryer shuts off at just the right time to save energy with less wear and tear on clothes

Additional Features

Ultra Large Capacity

SPEND LESS TIME ON LAUNDRY WITH MORE ROOM FOR CLOTHES

- Free up your day—fit more clothes in every load with 7.4 cu. ft. of space
- Running fewer loads saves energy and money on your utility bill

FlowSense™ Duct Clogging Indicator

KEEP YOUR DRYER CLEAN, EFFICIENT AND SAFE

- FlowSense™ lets you know when your ducts need cleaning to avoid lint buildup
- Improves the dryer's performance for greater efficiency and lower utility bills
- Gives you safer, worry-free operation with fewer service calls

ENERGY STAR® Certified

WHO SAYS DRYERS CAN'T BE ENERGY EFFICIENT?

- High efficiency sensor drying and low-heat settings save energy and money
- Uses 20% less energy than federal requirements without sacrificing performance

Electronic Controls with Dual LED Display

FIND THE PERFECT SETTING FOR ALL YOUR NEEDS

- From delicates to bulky bedding, 14 dryer programs handle any type of load
- Choose from 13 options, including Wrinkle Care and Energy Saver, for effortless drying
- Dial-A-Cycle™ controls and dual LED display are easy to reach, see and use

LoDecibel™ Operation

PUT PEACE AND QUIET BACK INTO YOUR DAY

- Run the dryer whenever you want—the motor and other components are designed for quiet operation that won't interrupt naptime or your favorite show
- Pleasant end of cycle chime lets you know when clothes are dry
