QUIET KOOL

Grab an outdoor camping portable air conditioner for a fresh cool summer. The light-weighted and compact design can save your space while cooling down a small space (65-85 sq. ft) by 16F in just a few hours. It also comes with versatile functions such as LED light for camping illumination and BlueTooth speaker for entertainment. The USB power output also enables recharging your digital device when necessary. It is a great item for on-the-go, camping, RV, and garage use.
