Ergorapido™ Pet

The Electrolux Ergorapido™ Pet Cordless 2-in-1 vacuum features a motorized pet nozzle, specifically designed for removing pet hair from upholstered surfaces. Plus, it includes our 180° EasySteer™ maneuverability, that makes it easier to move and steer on all different flooring types. The 2-in-1 detachable hand unit is perfect for cleaning hard-to-reach areas like stairs or the inside of your car.

Available Colors: Chili Red

Version: 02/23

Consumer Benefits

Motorized pet nozzle

Remove pet hair from furniture and other upholstered surfaces with the powerful motorized nozzle that was specifically designed for pet owners.

180° EasySteer™ maneuverability

Clean around furniture and other structures with the flexible vacuum base that moves 180° so that you can steer and maneuver with ease.

Detachable 2-in-1 Hand Unit

Remove dirt and debris from hard-to-reach areas like in between couch cushions or the inside of your car with the detachable 2-in-1 hand unit.

BrushRoll Clean Technology®

Automatically release stubborn hair and fibers from the vacuum brush by pressing a button at the top of the nozzle.

Bright LED nozzle lights

See clearly when cleaning underneath furniture and other hard-to-reach areas with LED lighting on the nozzle that provides additional visibility.

LED Charge Indicator Light

Always know the power level of your vacuum with LED interface lights that indicate the charging status and battery levels.
