WellQ7™ Hard Floor

The Electrolux WellQ7™ Cordless 2-in-1 vacuum features a 5-step filtration system with integrated axial cyclonic technology that efficiently separates dirt and dust from the air helping to reduce clogging and provide a consistent experience throughout the entire clean. The PowerPro Roller was designed with your home's hard floor surfaces in mind allowing you to easily pickup dust and other large particles.

Available Colors: Soft Sand

Version: 12/22

Consumer Benefits

Axial Cyclonic Technology

Axial cyclone accelerates the air's rotation inside dust bin to efficiently separate and collect dirt and dust, ensuring consistent performance throughout entire clean.

5-Step Filtration System

Trap dirt and dust inside the vacuum with the 5-step filtration system featuring a 2-layer foam filter and a sealed E10 emission filter.

PowerPro Roller

Expertly designed to pick-up anything from fine dust to large particles on hard floors, the PowerPro Roller is the perfect option for cleaning hardwood, tile, and other hard surfaces.

Motorized Bristle Nozzle

Powerful motorized nozzle that removes fine dust and dirt from rugs and carpeted areas.

Integrated Hand Unit

Quickly switch between cleaning the floor, to other surfaces around your home in an instant with the integrated hand unit.

Easy Access to Telescoping Reach Tool

Telescoping reach tool is stored onboard the vacuum so it is easily accessible for cleaning hard to reach areas.
