

EL21LT

33.5" x 41.5" x 27.25" (H x W x D)

Commercial -45° C capable chest freezer with digital thermostat and 8.1 cu.ft. capacity

Highlights:

Capable of -45° C operation for safe storage of vaccines and other temperature sensitive materials

UL-S listed to NSF standards for commercial use

Digital thermostat with external controls allows easy and precise temperature monitoring

Product Features:

Commercially approved	UL-S listed to ANSI-NSF standards for use in foodservice establishments
-45° capable	Low temperature operation is ideal for select vaccines, pharmaceuticals, and frozen goods
Extra thick insulation	4 1/2" thick walls for added efficiency and stable cooling
Factory installed lock	Keyed lock on the handle for reliable security
Digital thermostat	Electronic controls for precise temperature management, with temperature readout and controls externally located for added convenience
Access port	Factory installed probe hole allows users to install their own monitoring equipment
Casters	Four solid wheels included for optional mobility
Counterbalanced hinges	Easy and safe loading and unloading with a lid that remains open when lifted past 45° angles
Manual defrost	Static cooling for a stable interior

EL21LT Specifications:
