AF-S60NX

Sharp's line of ENERGY STAR®\*1 qualified air conditioners provides cool comfort all summer long. Sharp's air conditioners not only exceed federal efficiency standards, they exceed design standards as well. Sleek and stylish, they will fit into your home design beautifully, while saving you energy and enhancing your decor. Sharp's air conditioner line is too cool to pass up.

### Features:

**ENERGY STAR® Efficiency** – Save money, save energy and help preserve the environment! Sharp's ENERGY STAR® qualified products exceed the federal efficiency standards for air conditioners by at least 10% which qualifies them to bear the Environmental Protection Agency's ENERGY STAR® logo for energy efficiency.

**Rest Easy® Remote** enables you to turn the unit on or off, adjust the temperature, change the fan speed, or set the timer with the touch of a button.

**Comfort Touch® Controls** – Convenience is standard with Sharp's user-friendly Comfort Touch controls. With a 12-hour on/off timer feature and one-degree temperature control increments, there's virtually no more temperature guessing. Simply set the controls and forget about it!

**Slide-Out Washable Filter** allows easy removal and cleaning.

**4-Way Air Direction** lets you direct the cool air where you want it most.

**Energy-Save Mode** – When the optimal temperature is met, the fan and compressor stop.

**Auto-Cool** adjusts the fan speed in response to the cooling demand for powerful cooling when the demand is high and quiet comfort when the demand is low.

**Complies with power cord regulations: Leakage Current Detection and Interruption Device (LCDI) included.**

## Specifications

Model Number	AF-S60NX	AF-S80NX	AF-S100NX	AF-S120NX
BTU	6,000 BTU/hr.	8,000 BTU/hr.	10,000 BTU/hr.	12,000 BTU/hr.
