

Home Comfort

FFPH1222T1

Signature Features

SpaceWise® Portable Design

Wheels allow you to easily move the air conditioner from room to room, providing cool air when and where you need.

Supplemental Heating Option

With our supplemental heating capability, you can be comfortable regardless of the temperature outside — you have both heating and cooling solutions!

Effortless™ Temperature Control

Our air conditioners maintain the preset room temperature, so you will remain comfortable at all times.

Programmable 24-Hour On/Off Timer

Customize times to fit your schedule for immediate comfort when you get home. The built-in timer allows you to preset the unit to turn on and off in half-hour increments.

Portable Air Conditioner/Heater

Product Dimensions

Height	28-3/8"
Width	17-1/2"
Depth	14-3/4"

More Easy-To-Use Features

Ready-Select® Controls

Easily select options with the touch of a button.

Auto Swing Louvers

With our auto-swing louvers, you will receive more even air distribution as the louvers automatically circulate air throughout the room.

Remote Control

Allows you to precisely control the temperature and fan speed from across the room.

Effortless™ Clean Filter

Our antibacterial filter reduces bacteria, room odors and other airborne particles for a healthier, more comfortable environment.

Multi-Speed Fan

Features three different fan speeds, for more cooling flexibility.

Sleep Mode

Maximum comfort throughout the evening hours with the added benefit of energy savings. With Sleep Mode, the temperature gradually increases a few degrees over the evening.

Effortless™ Restart

Automatically resumes operating at its previous settings when power is restored to your unit.

Window Kit for Ventilation

Portable air conditioners come with a window kit and exhaust hose so you can connect the air conditioner to the window for proper venting.

Dry Mode

Dry mode helps to make you more comfortable by removing excess moisture in the air from the room.
