The Frontier Touch Control Grill + Stand is perfect for your deck, patio, or balcony, offering a seamless cooking experience with just a simple plug-in and touch on the control panel, reaching temperatures over 550°F without flare-ups. It features a foldable shelf and side rack for seasonings and drinks, making it ideal for any outdoor occasion. This durable stainless steel grill is suitable for city balconies and patios where propane and charcoal grills are not allowed, and can be used indoors or outdoors, providing versatile and reliable grilling wherever you need it.

Included: One Disposable Drip Tray, Leveling Feet, and Locking Wheels for Installation Options

FEATURES

- Powerful performance - cooking temperatures exceed 550°F in 7 minutes, for perfect searing
- Patented concealed electric element eliminates flare-ups
- No hot or cold zones due to direct contact between the element and cooking grate
- Non-stick grate imparts characteristic barbecue grill marks and is dishwasher safe
- Auto shut-off timer after 60 or 90 minutes, depending on heat setting
- Disposable drip tray is located below the element to trap drippings
- Infuse grilled food with flavor by adding a variety of liquids to the drip tray
- Removable lid is dishwasher safe
