DESIGN CHOICE

INTEGRATED

PANEL READY CUSTOM HANDLE

With minimal installation gaps for a precise fit, Integrated style Dishwashers are designed to sit flush with surrounding cabinetry. Choose to fully integrate with custom panels or pair with stainless steel panels and Professional, Contemporary or Minimal handles for a cohesive kitchen design.

* Handle and Door Panel accessories for integrated dishwashers are available on the website

CONTEMPORARY

CONTEMPORARY PROUD HANDLE

Defined by clean lines and timeless design cues, Contemporary style Dishwashers bring a sense of balance and refinement to the kitchen. The proud handle adds visual definition and a tactile element that enhances both the look and usability of the design.

CONTEMPORARY POCKET HANDLE

Defined by clean lines and timeless design cues, Contemporary style Dishwashers bring a sense of balance and refinement to the kitchen. The pocket handle offers versatile styling, designed to align with a wide range of appliance aesthetics, whether specified for a replacement appliance or a new kitchen design.
