Gas Slide-In Ranges with ProBake Convection®

Performance

PERFECT BAKING AND ROASTING FOR MEALS THAT MATTER MOST

- LG ProBake Convection® ranges offer the gold standard in convection technology, for meats roasted to perfection and even baking on every rack, every time*
- Inspired by pro-style ranges, the powerful 19,000 BTU burner** with dual-speed fan evenly distributes super-heated air, minimizing hot and cold spots for mealtime perfection that never disappoints—once you try it, you'll never go back

*Compared to LG's conventional ovens. **Other LG models are available with 14,000 BTU.

**ProBake Convection®**

Largest Capacity***

ROOM FOR THE BIGGEST TURKEY AND ALL THE SIDES

- These 6.3 cu. ft. and 6.9 cu. ft. single and double oven ranges have the largest capacity ovens in their class*** so you can cook for one, or cook for all
- Whether you're baking large batches of cookies or a 20-pound turkey and all the sides for the holidays, the oven can fit all the pots, pans, Dutch ovens and skillets you need to get your cook on

***Based on LG internal survey (October 2018) for 6.3 traditional self-clean gas and electric single ovens, 6.9 gas double ovens and 7.3 electric double ovens.

Flexibility

5 COOKTOP BURNERS SIMPLIFY MEAL PREP AND SAVE TIME

- Expand your options with five cooktop burners that let you sauté, simmer, boil and more—all at the same time
- Continuous heavy duty grates provide a flat cooking surface over the gas burners to keep cookware stable and make it easy to slide pans from burner to burner

**5
BURNERS**

Additional Features

UltraHeat™ 18,500 BTU Burner

POWER UP FOR FASTER BOILING

- When ordinary burners can't keep pace with your on-demand dinner schedule, turn up the power with LG's UltraHeat™ 18,500 BTU burner on select models
- Precision burner ports angle the flame for more direct heating, quickly boiling water and other liquids so you spend less time waiting, more time enjoying

EasyClean®

KEEP YOUR OVEN LOOKING LIKE NEW

- Get a spotless oven in just 10 minutes with the fastest oven-cleaning feature available*
- Simply spray the interior with water, press the EasyClean® button and let the oven do the work—without chemicals or high heat
- Use the regular self-clean cycle on select models for the occasional deep clean

*Among major leading home appliance brands as surveyed in June 2017.

Heavy build-up may require additional manual effort or use of the full self-clean feature.

Style & Design

SLEEK LINES SHOW OFF YOUR STYLE

- Slide-in design places the controls up front for a built-in look that lets the beauty of your custom backsplash and countertops show through
- The streamlined styling integrates beautifully with surrounding cabinetry
- PrintProof™ black stainless steel and matte black stainless steel finishes on select models resist fingerprints and smudges to keep your kitchen looking its best

Ergonomic Tilted Controls

DESIGNED TO PERFORM—BEAUTIFULLY

- Tilted front panel has just the right balance of style and functionality, with easy-to-reach knobs and easy-to-read display
- Heavy duty metal knobs combine a premium, pro-style look with pinpoint cooktop control

Smart Features (select models)

TAP INTO SMART FEATURES FOR FOOLPROOF RESULTS

- Use the SmartThinQ® app to start the oven, set timers or check on dinner from anywhere
- Get inspired and expand your menu options using the SideChef, Innit or Tovala apps, then automatically send temperatures and cook times to your oven
- Go hands-free—select oven features work with Alexa and the Google Assistant
