Convenience

DISPENSE THE PERFECT AMOUNT OF FRESH, FILTERED WATER

- You set how much water you need—4, 8, 16 or 32 oz.—and the dispenser will measure out the exact amount and automatically turn off when done
- Saves the time and hassle of measuring for drink mixes, recipes and more
- Extra-tall dispenser fills everything from pitchers to pint glasses with fresh, filtered ice and water with just a touch

Easy Access

REACH FAVORITES FAST AND FIT MORE WITH AN ADJUSTABLE BIN*

- Offering quick and easy access to favorite foods, the popular Door-in-Door® design gets even better with an adjustable bin that fits snacks and drinks of all sizes
- Bin glides smoothly up and down and locks into place with minimal effort
- The LG ColdSaver™ panel reduces cold air loss** and helps keep food fresher, longer

*Easy access Door-in-Door® with adjustable bin feature on model LRFDS3006 only. **Percent reduction in exchange rate of air between opening the Door-in-Door® compared to one French door for 10 seconds. Results based on testing of comparable model with same LG Door-in-Door® design. Results may vary by model and the duration of time the door remains open.

Versatility

DUAL ICE MAKERS ENSURE YOU'LL NEVER RUN OUT

- Located on the door and in the lower freezer compartment, twin ice makers produce and store more ice for parties or filling coolers on hot summer days
- Slim SpacePlus® ice system offers easy access to ice while freeing up more shelf space and providing extra door bin storage
- Still need more ice? Turn on IcePlus™ to kick ice production into high gear by automatically lowering freezer temperatures to the coldest setting for 24 hours
