

Forno Espresso / FDWBI8067-24BLK

24" Dishwasher, Top Control, 49 dBA, 3rd Rack

The Forno Pozzo 24-Inch tall-tub dishwasher, operating at a low noise level of 49 decibels for peaceful cleaning. Its black front and pro-style handle offer durability and style. Customize your look effortlessly with two sets of interchangeable handles, switching between antique brass for a traditional touch or stainless steel for modern flair. The dishwasher features a spacious stainless-steel tub with 3 baskets, providing ample loading flexibility for large dish capacity and utensils, with 3 racks and an additional silverware basket. With six wash programs and electronic controls featuring a sleek LED display, it offers efficient and customizable cleaning options. Energy Star certified for eco-friendly operation.
