

FRAE1626AW

16 Cu. Ft. Garage Ready Upright Refrigerator

The 16 cu. ft. upright refrigerator offers a garage-ready design with flexible organization. It ensures consistent cooling with the EvenTemp™ cooling system and provides peace of mind with power outage assurance and the door ajar and high temp alarms.

Available Colors: White

Version: 12/25

## Consumer Benefits

### Garage Ready

Place this unit in your garage without worry. This unit is designed to perform in temperatures ranging from 38°F to 110°F.

### Flexible Interior Organization System

Easily organize your family's favorites with our organization system that allows you to make the most of every available square inch of your refrigerator.

### Door Ajar and High Temp Alarm

Monitor the ideal environment for food with our audible temperature alarm that alerts you if the door is left open or the temperature rises.

### EvenTemp™ Cooling System

Our cooling system optimizes airflow to ensure a consistent temperature throughout the refrigerator, so your food stays fresher for longer.

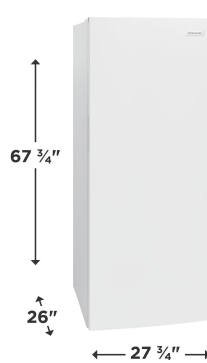

### Floor-Projected Power-On Indicator

Know at a glance that your refrigerator is keeping your favorites fresh with our power-on indicator light.

### ENERGY STAR® Certified

Save money and maximize energy efficiency.
