

PCFG3080AF

30" Gas Range with No Preheat and Air Fry

The Frigidaire Professional 30" Front Control Gas Range with Total Convection, features our most powerful and advanced convection system, which enables cooking modes like No Preheat, Air Fry, Slow Cook, Steam Bake, Steam Roast, Convection Roast, Convection Bake and more! The flexible six burner cooktop includes our 18,000 BTU Even Temp™ burner and an integrated cast iron griddle. This range also features backlit LED knobs and our fingerprint resistant, Smudge-Proof® Stainless Steel finish.

Available Colors: Stainless Steel

Version: 04/24

Consumer Benefits

Total Convection System

Gives you maximum versatility in the kitchen, powering cooking modes like Air Fry, No Preheat, Slow Cook, Convection Bake, Steam Bake, Convection Roast, Steam Roast and more!

No Preheat

Eliminates time wasted waiting on your oven to heat up - simply place your food in the cold oven and get to meal time, in no time.

No Preheat is best used for single-rack baking of frozen or pre-made items and food that needs to cook for longer than 10 minutes.

Air Fry

Make healthier and delicious meals for your entire family - right in your oven.

Six Burner Cooktop

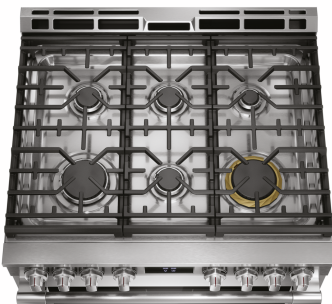

The flexible six burner cooktop includes our powerful 18,000 BTU EvenTemp® burner and features an integrated cast iron griddle.

Slow Cook

With Slow Cook, your food cooks slowly and at a lower temperature (as low as 100° F), allowing you to lock in moisture and flavor without over or undercooking your food.

Temperature Probe

Monitors and alerts when the desired finished cooking temperature has been reached.
